Hey Gary,

I did get your message last night. Yes, I can put something together... I assume for the meeting with Ron next week.

I had to be at home again today, so again, just call me when y'all meet this afternoon.

940-395-5735

or

940-565-0610

You can also call me anytime today to discuss the fisher scenario. Have you heard anything back from HQ?

Phil
